## School Projects

### UX Design: GIRLS IN TECH VANCOUVER

FALL 2019 Interface Design, Copywriting, Prototyping, UX Design  
(InDesign, Illustrator, Figma, G-Suite)

- Worked with Girls in Tech Vancouver to identify issues within the organization and proposed solutions.
- Analyzed data, conducted interviews, and organized workshops with teammates in order to conduct user research.
- Designed website prototype for the proposed solution, and slide deck presentation with teammates.
- Presented prototype and user research to the organization which will help them in combating issues.

### Web Design: WHERE YOUR DAIRY COMES FROM

SUMMER 2019 Developer, Graphic Designer, Copywriter  
(HTML, CSS, JavaScript, Illustrator, Axure)

- Researched and copywrote 7 pages of web-content with audience and goal in mind.
- Wireframed and prototyped in Axure, being mindful of design concepts.
- Coded all of web pages with HTML, CSS, and JavaScript.
- Received a perfect score on the project and one of the highest marks in the class.

## School Projects

### Videography: **DISCLOSURE**

SPRING 2019 Editor, Script Writer, Art Direction, Set Manager  
(Premiere Pro, After Effects)

- Wrote, filmed, edited and produce a 5 minute short film in a team of 4.
- Edited and cut 100+ minutes of footage with Premiere Pro and After Effects.
- Managed set, casted actors, found locations with given budget.
- Designed the overall art direction including designing mood boards and deck designs for presentations.
- Awarded with Best Sound.

## Customer Service Experience
